Toilet

Cimarron® Comfort Height® elongated 1.6 gpf toilet with Class Six® technology and left-hand trip lever, less seat K-3589

Featuring the new Class Six flushing technology, the redesigned Cimarron Comfort Height elongated toilet delivers outstanding bulk flushing and best-in-class bowl cleanliness. The Cimarron two-piece toilet's easy curves complement a variety of bathroom environments.

28-3/4"L x 17-5/8"W x 30-3/4"H

Class Six® flushing technology provides tremendous bulk waste flushing performance and best-in-class bowl cleanliness

Canister flush valve provides smooth flushing actuation with consistent water usage, flush after flush

Exclusive Dry Lock™ installation system facilitates installation, and keeps floors dry

With a seat height comparable to that of a standard chair, KOHLER Comfort Height™ toilets make sitting down and standing up easier for people of all ages

12"-rough-in

Elongated bowl

Soft Close Seat

Cachet® Quiet-Close™ elongated toilet seat with Quick-Release™ functionality

The Cachet elongated closed-front toilet seat was engineered to ensure a proper fit with subtle styling to complement a wide variety of toilet designs.

Exclusive Quiet-Close technology prevents the lid from slamming and increases hygiene and safety, and Quick-Release functionality allows the seat to be removed easily from the toilet for cleaning. This seat is made of solid polypropylene that is resistant to staining, fading, chipping and peeling.

Elongated seat design to fit elongated bowls

Fits all one- and two-piece toilets
